

2020 (and beyond) HPRA REUNION GOLF SHIRT ORDER INFORMATION

We have a new method of obtaining the golf shirt associated with the annual reunion. Instead of ordering them through a shipmate, you will be able to order directly through Lands End. They have been providing them, along with our hats, ever since Wade and Jane began this a number of years ago.

Steve Tindall has set up a "Business Account" on-line store with Lands End. You will be able to place your order directly with them, and they will be shipped directly to you. This method is a bit more costly as you have to pay shipping and potential sales tax. At the present time, T-Shirts are not available.

This method will be more costly since we don't have anyone watching for deals to reduce the cost. You are encouraged to watch the site for any specials. On the page for the shirts, a special deal will show in the pricing just below the picture in red. There is the possibility you could save up to 50% on the shirts and may have shipping included by watching closely. Before actually placing your order, double check for the potential deals (this is easier when ordering online). You will be able to order your items before or after a reunion. At this time, it is planned that once a shirt becomes available, it will be kept available. When a new version is ready, the previous years will remain available.

Another benefit is our items can be ordered year round. At this time, shirts for 2020 Boston and 2019 Hartford are available. When you order, be specific on the one you want. For 2020 the shirt is red. For 2019 they are cobalt-blue.

A REUNION GOLF (POLO) SHIRT was created for the now-canceled 2020 reunion. Since this happened prior to the reunion cancelation, it was decided to keep it available. A shirt for the 2019 Hartford reunion is also available. You can order them directly from our new "Lands End Hugh Purvis Store." These shirts will be available year round using this new method. In 2021 the Chicago/Milwaukee shirt will be added early enough for purchase prior to the reunion.

There are two versions of the Men's shirt and three for Women's...
